

## TWO BUNCH TRADITIONS

<b>Mud Bath</b>	
30 min .....	95
A Two Bunch favorite for decades! Submerge in a mixture of grounding clay, peat moss and our healing waters to exfoliate the skin, detox the muscles and restore the mineral balance of the body.	
<b>+ Tea Poultice</b>	
30 min .....	55
An infusion of aromatic herbal tea enhances the detoxification process via a light massage with potent herbs.	
<b>+ Arnica Wrap</b>	
30 min .....	55
Derived from a natural pain-relieving flowering plant, the ritual soothes soreness and aching muscles.	

## BODY TREATMENTS

<b>Babassu Body Scrub</b>	
45 min .....	95
This sugar scrub uses babassu oil and citrus essential oils to exfoliate and nourish your skin. The wrap includes a scalp massage and is followed by an application of moisturizing shea butter.	
<b>Himalayan Salt Glow</b>	
60 min .....	155
First your body is exfoliated with a proprietary blend of Himalayan and Epsom salts with our mineral water. Followed by a mineral shower, and a liniment rubdown. This treatment can be enhanced with a 30-minute Himalayan Salt Stone Massage.	
<b>Two Bunch Body Ritual</b>	
90 min .....	195
This multi-layered peaceful journey fuses all the classic elements of the spa experience. A decadent body polish that invigorates, a sensory balancing massage, and a wrap with scalp treatment. The facial points are also stimulated to invoke deeper relaxation.	

## FACIAL SKINCARE

<b>Skin by Two Bunch</b>	
60 min .....	145
Personalized for him or for her, this custom facial adapted specifically for your skin type incorporates all the classic elements of cleansing, exfoliating and toning.	
<b>Oxygeneo Facial</b>	
60 min .....	185
A state of the art, technology-driven service that delivers unparalleled skin renewal and brightening. The combination of deep but gentle exfoliation, an oxygen infusion that corrects and rejuvenates. See younger looking skin after one treatment, and ageless skin after a series.	

## EASTERN MODALITIES

### Reiki | Ancient Tradition

60 min ..... 165

90 min ..... 195

A Japanese spiritual art that helps to heal by calling upon “universal energy” to balance and connect the etheric body by improving the balanced flow of chi or life force.

### Chakra Balance

90 min ..... 205

Seven luxurious oils, each tuned the chakras through a harmonious blend of essential oils, infused crystal energy and color, are massaged into the skin using techniques specifically chosen for each chakra.

## MASSAGES

### Body by Two Bunch

60 min ..... 145

90 min ..... 185

Our signature therapeutic massage that imparts well-being with mild to medium pressure, performed by our internationally renowned, expert healers. Our skilled wellness professionals will expertly craft the experience your body deserves.

### Deep Tissue

60 min ..... 165

90 min ..... 195

The primary goal of this firm massage is to promote positive change in the structure of the body by employing strong cross fiber strokes, targeting knots and releasing underlying muscle tension in the deepest layers of fascia.

### Lymphatic Drainage

60 min ..... 165

In Europe, this service is widely regarded as the “age defying” massage. It lightly but efficiently reduces swelling and toxin build up in the lymph nodes, using long rhythmic strokes to cleanse muscles. This treatment may also aid in weight loss.

### Stone Therapy

75 min ..... 175

Using the time-honored technique of alternating warm and cold stones, this full body massage relaxes muscles and stimulates circulation. Warm stones release muscular tension while cold stones refresh and draw out excess heat, sending a fresh supply of warm blood and oxygen to the affected area.

### CBD Massage

90 min ..... 245

A CBD tincture begins the session promoting internal relaxation. CBD full spectrum oil and a restorative CBD balm are applied, reducing soreness and relieving inflammation. Mindful-touch techniques are used to energize the full body, (including the abs, feet and scalp) allowing the product to deeply enhance the traditional massage benefits.

Pre-Natal & Couples massages are available, ask a treatment advisor for details.
